

Summer Term – Week 33

We have got stuck into our new topic of 'Superheroes' this week! We loved playing in the Superhero HQ role play area; going on missions to capture villains and playing with the superhero figures. In English, we read the story 'Supertato' and created a new superhero vegetable. In Maths, we explored doubling amounts up to 10 using multi-link, ladybirds, objects and mirrors. We enjoyed our first swimming session too!
