

Spring Term – Week 19

We have had lots of fun playing in our new 'Dinosaur Park' role play area and going on lots of adventures this week! In English, we wrote a book review of 'Harry and The Bucketful of Dinosaurs' and created dinosaur masks using watercolours. In Maths, we focused on the composition of 6, 7 and 8 using dominoes, buttons and skittles. We enjoyed adding transition spins into our Real PE Dances too.
