

Autumn Term – Week 13

We have had lots of fun starting to get into the Christmas spirit; playing in our new 'Christmas workshop' and performing 'Everybody Loves a Baby'. In English, we used our imaginations to go on a 'drawing club' adventure with Goldilocks & The 3 Bears. We loved creating lots of secret codes! In Maths, we explored one more and one less of amounts within 5 using multi-link, 5-frames and sorting objects.
