

Autumn Term – Week 10

This week is 'World Nursery Rhyme Week'. We have enjoyed learning a different nursery rhyme each day; 'When I was One...' was one of our favourites! We loved moving ribbons to the song and adding in our own actions. We also decorated crowns for 'Sing a Song of Sixpence' and dipped pipettes in paint for 'Two Little Dickie Birds'. In Maths, we created individual shape monsters using only circles and triangles.
