

Autumn Term – Week 3

We have had a super first full week of school! In English, we have created a fact file all about ourselves and enjoyed talking about what we like/don't like with our friends. We also painted self-portraits and had lots of fun using the mirrors to help. In Maths, we practised counting one number for one object and used the fruit to represent each amount. We loved our first Music lesson and circle time game of 'Guess Who' too!
