

History

Children will have the opportunities to take part and explore a range of hands on experiences to support their knowledge and understanding of past events. We will provide children with an insight into events before their time and consider how these have changed over time. Children will explore History from across the UK and worldwide. School trips invariably revolve around History topics and all of these provide hands on experiences to aid with children's conceptual understanding.

Focus	Hampton Dene Discoverers
Independence	Is able to self-reflect and discuss relevant events in their own lifetime Asks questions to support their understanding
Imagination	Shares special memories and/or souvenirs with their peers Creates new thinking based on old ideas Asks questions which do not have straight
Resilience	Uses a range of resources to support and embed their learning Reflects on opportunities and mistakes
Teamwork	Is curious about events involving others Shares enthusiasm and ideas with others about specific topics

Changes within living memory

Events beyond living memory that are significant nationally or globally

Lives of significant individuals in the past who have contributed to national and international achievements

Significant historical events, people and places in their own locality

Children will investigate and interpret the past by thinking and acting as historians. Children develop their questioning and understanding of the past, as well as discussing the impact in the present day. At Hampton Dene, we provide children with opportunities to make full use of resources within the immediate and wider local area. This enables each child to develop a deep understanding of the rich history in our locality. Children will be able to gain a sense of their own identity by exploring a range of social, political, cultural and economic backgrounds.
