May 2026

Hello and welcome to our May SEND Newsletter

As always, this edition shares a snapshot of what's been happening across Herefordshire, and some opportunities coming up where we would really value your voice. In particular, I'm very much hoping to meet as many parent carers as possible at our upcoming SEND consultation drop-in events. These sessions are about listening – hearing your ideas and experiences as we think about how support for children in mainstream schools could be shaped over the next three years. There are no pre-set answers and no promises, but we genuinely want to learn from parents about what matters and what could work better.

Over recent weeks, I've also had the pleasure of meeting with the young people's panel from Westfield School, who played a really important role in helping to evaluate the bids for our social opportunities funding. Their insight, honesty and care in doing this work was impressive, and it was a strong reminder of how powerful it is when young people are meaningfully involved in decisions that affect them.

This term, I've also enjoyed getting out and visiting the Harvest Project, which we set up after listening carefully to young people, their families and schools. The project is run by the Herefordshire Pupil Referral Service and is an outdoor-based learning environment, based on a working farm with its own dedicated site. Its curriculum is diverse, engaging and constantly evolving in response to pupils' needs and interests. I was joined on the visit by Cllr Ivan Powell, Cabinet Member for Children and Young People, and we were both struck by how much the team and pupils have created in such a short time. It's hard to believe the project has only been running for two terms.

I spent time with staff and pupils, hearing about the wide range of opportunities available and the positive difference the project is making. It was inspiring to see something so thoughtful and special taking shape.

Finally, I'll end where I began – I really do hope to see many of you at the SEND consultation drop-in events. They are about listening to parents' ideas and experiences as we look ahead to the next three years of support for children in mainstream schools, and your views truly matter.

Best wishes,

Hilary Jones

Flip Out – SEND Friendly Sessions

At Flip Out Hereford, we know that busy, loud environments don't work for every child or adult. And for many families, that can make days out feel stressful — or even impossible.

That's exactly why we run our dedicated SEND-friendly sessions.

These sessions take place **every other Sunday from 9:30 – 10:30** and are designed to create a calmer, more comfortable space where children can enjoy themselves in their own way.

What's different about these sessions:

- ♥ No music
- ♥ Arcade machines switched off
- ♥ Reduced number of people (more space, less waiting)
- ♥ A calm, supportive environment with a friendly team

We've also thought about the little things that make a big difference:

- ✓ Carers go FREE (with valid carer ID or support letter)
- ✓ FREE parking
- ✓ FREE lockers
- ✓ Lift access
- ✓ Accessible, good-sized disabled toilet
- ✓ Team members who speak English, Ukrainian, Russian and Polish — happy to help and support where we can

If you've never visited before, you're very welcome to **pop in for a look around before booking**. We'll happily show you the space, talk things through, and answer any questions — no pressure at all.

Upcoming SEND-friendly session dates:

- 24 May
- 7 and 21 June
- 5 and 19 July
- 2, 16 and 30 August

For many families, this is the first time they can relax while their child plays — and that's exactly why these sessions matter.

Visit the [Flip Out website](#) to book your next SEND-friendly session.
